# ABOUT US

Marble Centre symbolizes impeccable quality and unparalleled service. The brand has been associated with grandeur and elegance, with a reputation for providing the most superior class of marble. Respected by its peers and customers alike, the company has been steadfast in its commitment to excellence and customer satisfaction.

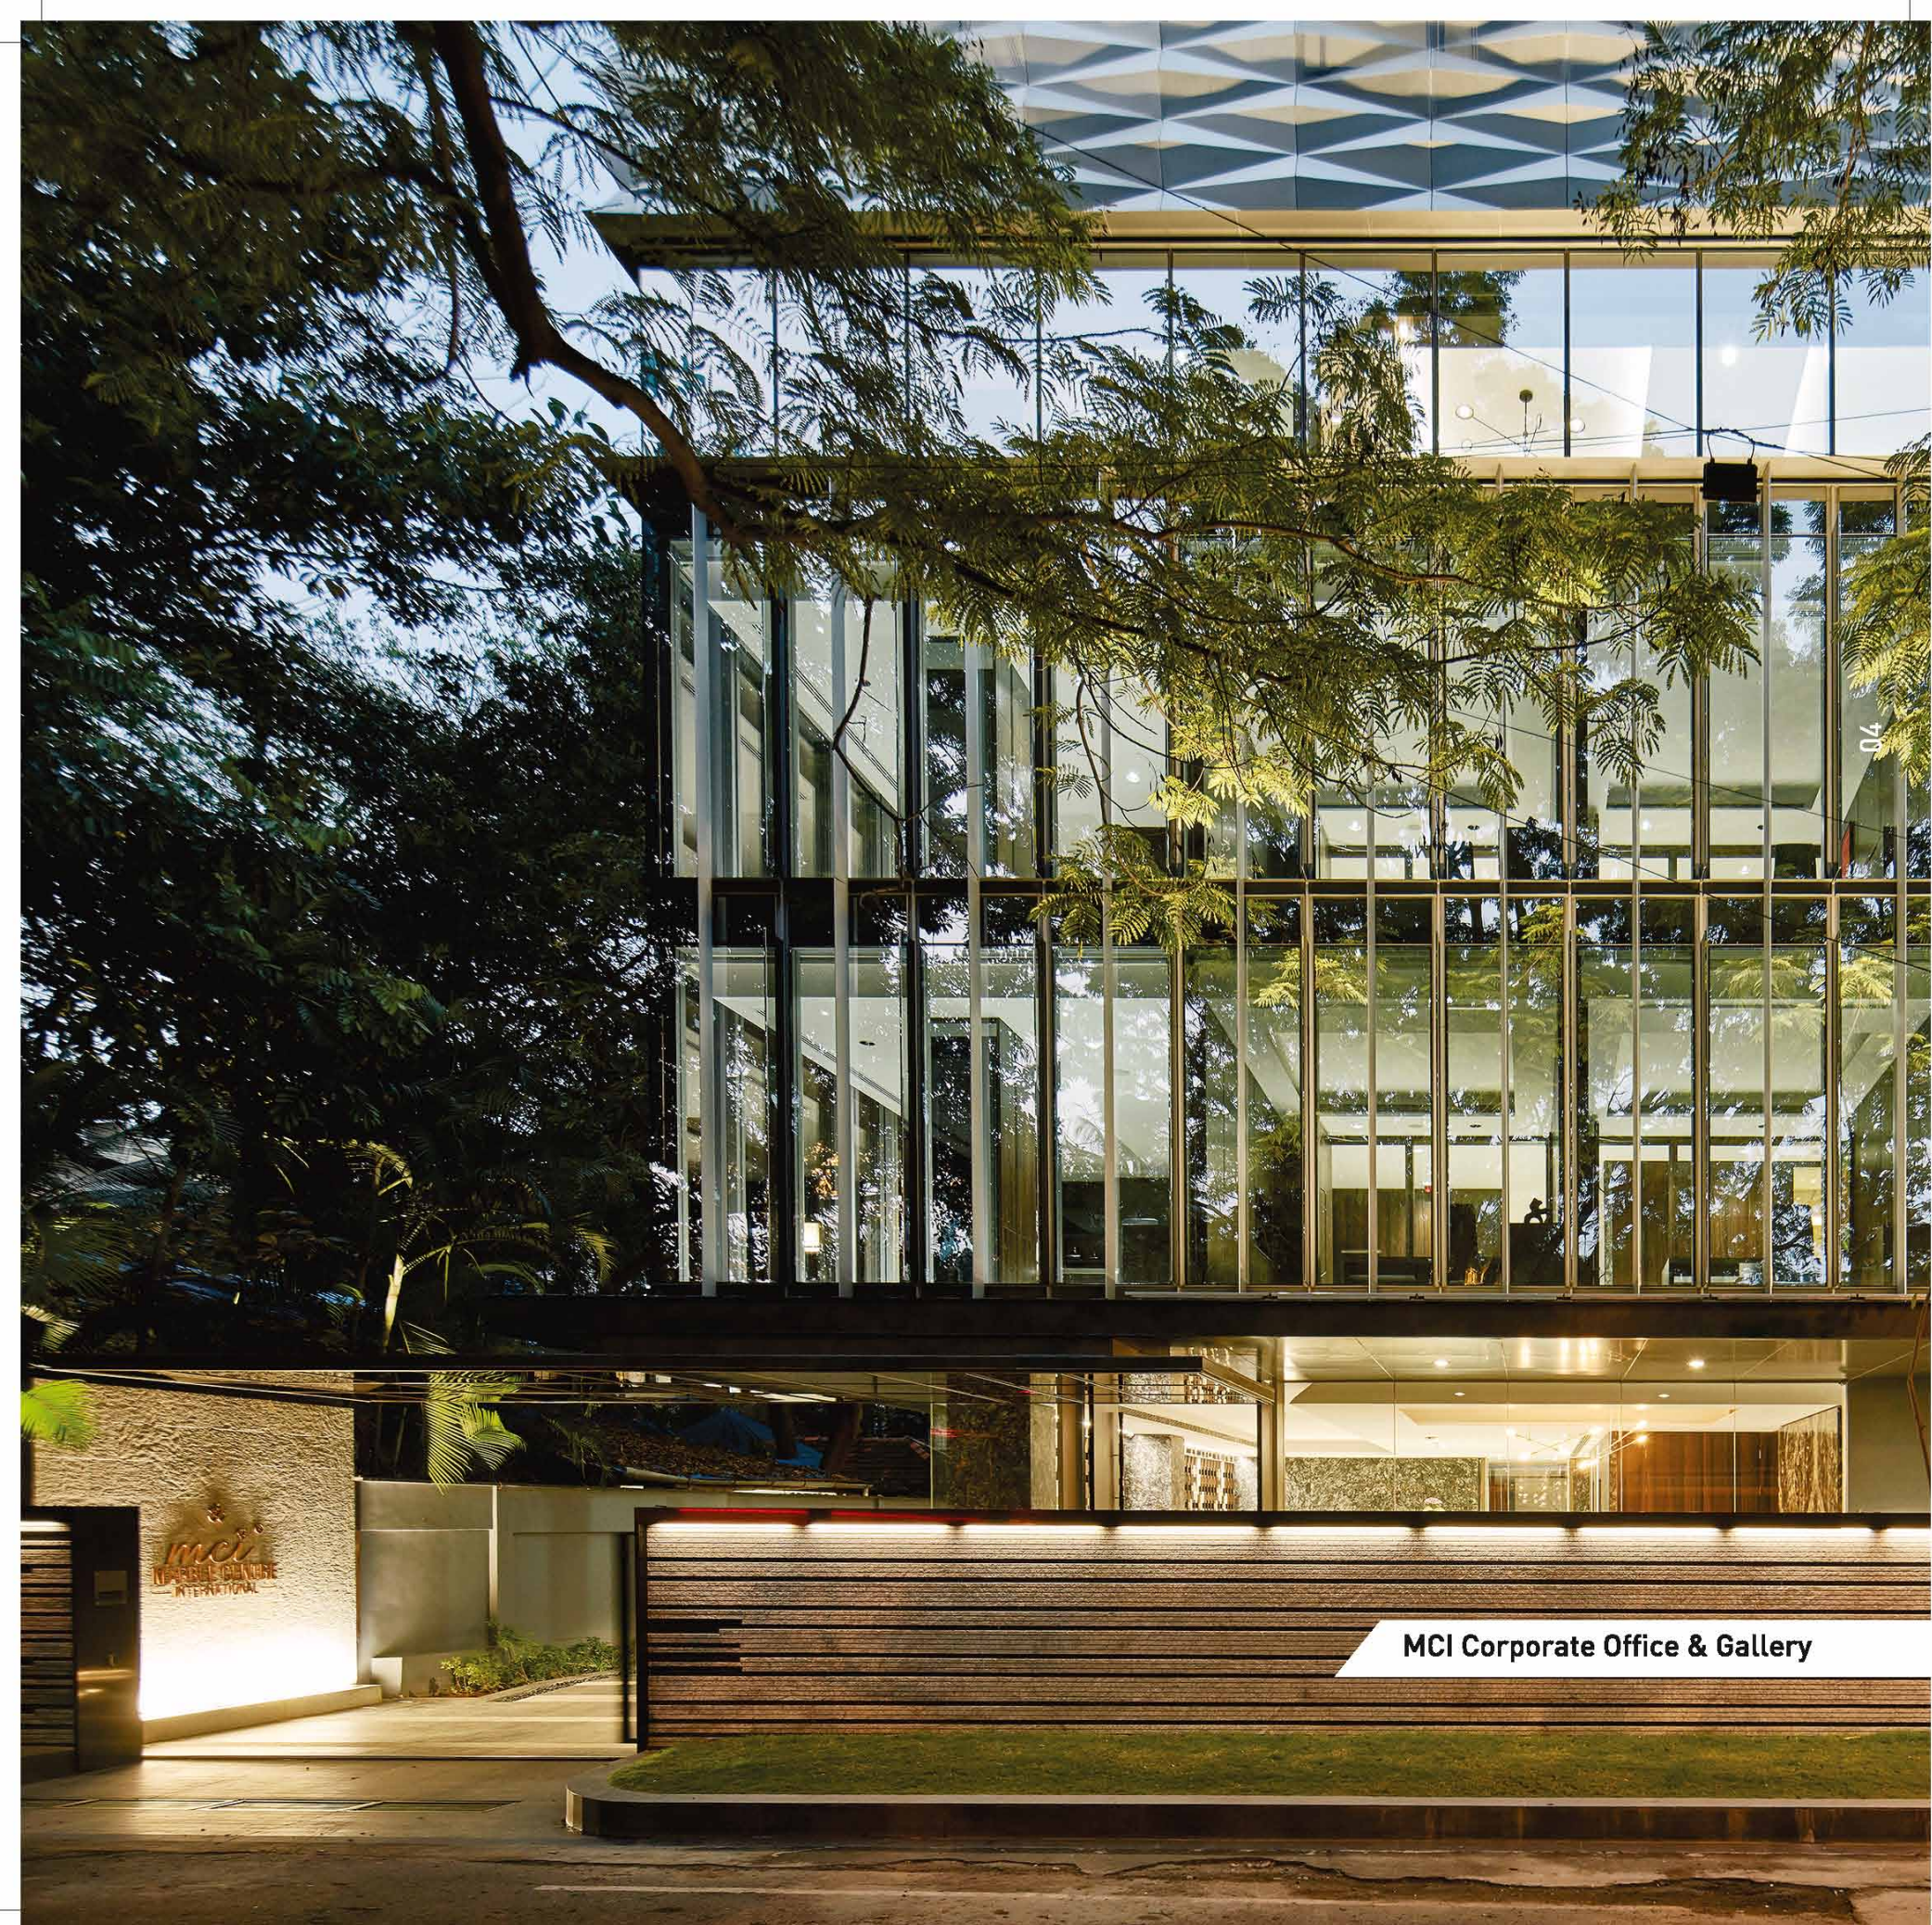

Today, the company has established itself as one of India's largest importers and retailers of natural stones. The exquisite range of over 450 types & finishes of marble, granite, onyx, travertine, mother of pearl, quartzite & semi - precious stone is procured from the world's finest quarries, nestled in Italy, Spain, Greece, Turkey, Brazil and 35 other countries.

Marble Centre's success has been built on the four pillars of product expertise, consistent quality, unwavering commitment and moral integrity. The management is passionate, highly motivated and driven by excellence.

This ISO 9001:2000 certified company has set benchmarks in the natural stone industry by providing innovative and functional solutions for both residential and commercial spaces. Leaders to consultants, architects to interior designers, & builders to contractors believe that our knowledge, thorough quality control and vast selection set our products right where it should be. At your feet, and in your mind.

**Welcome to a privileged world set in stone.**

## MESSAGE FROM THE MANAGING DIRECTOR'S DESK

Marble Centre was established to cater to the increasing demand for marble and granite. Since its inception in 1989, our vision has been to provide our customers with the most exquisite natural stones in the world.

The group carries its operations with utmost honesty, transparency, dedication and conviction. These values have been fundamental to our growth, professional excellence and community development.

We take pride in our client relationships and strive to be known for our quality, reliability and responsiveness. We firmly believe that our customer focused approach and commitment to quality has helped us make the leap from customer satisfaction to customer delight.

The changing landscape of the Indian economy and its dynamic markets give us the opportunity to constantly develop our processes. We learn and grow every day, and yet, each employee still remains true to the simple values that formed the core of this company.

As we envision the future and move forward, the group continues to further invest in new technologies to enhance product & service quality in every possible way.
